INVITATION

November 28, 2009

Dear Friend,

On December 10, 1948, the United Nations Universal Declaration of Human Rights was born and guarantees the most fundamental rights and freedom inherent to every human being. Today, even though the Communist government of Vietnam is a signatory to this sacred document, yet we continue to see time after time the most egregious violations of these basic human rights perpetrated by the Communist government on its own citizens.

To mark the 61st Anniversary of this momentous event and to let the world know about the current conditions of human rights abuses in Vietnam, Viet Freedom Flag Youth and Students, with the support of the Vietnamese-American Community of Northern California along with the help and participation of other Vietnamese organizations and associations, would like to cordially invite you to:

AN EVENING OF PRAYER AND HUMAN RIGHTS TORCH FOR VIETNAM

with the theme

“The Next Generation Stands up to Protect Our Motherland Vietnam”

to be held on:

Date/time: **Saturday, December 19, 2009**
from 5:00PM – 8:00PM

Location: **Vietnamese-American Community Center of Northern California**
2129 South 10th Street, San Jose, CA 95112

We will pray for our motherland Vietnam and for an early day free from Communist oppression. We will also pray for all those both in and outside of Vietnam to always be strong and persevering in our common struggle to fight for freedom, democracy and human rights for Vietnam.

We will have an opportunity to learn about the flagrant human rights violations committed by the Communist government and the selling-out of Vietnam’s territorial land and sea to Communist China.

You will also hear the thoughts, concerns, and dreams of the next generation of Vietnamese youth and students expressed from the bottom of their hearts as they face the bleak future of their motherland Vietnam under the Communist rule.

In addition, we will have music performances by members from our young generation, students and alumni in Northern California.

Your presence will be greatly appreciated and will speak volume to the efforts that we all are trying to do to contribute our small part along with our parent generation to help bring true freedom, democracy and human rights to our motherland Vietnam.

We look forward to seeing you at this event. Thank you!

Sincerely,
On behalf of the organizing committee,

Nguyễn Minh Huy
Viet Freedom Flag Youth and Students
